# 2024 Winter Update

Mountain Top Explorium spent the later part of 2023 planning and it has been exciting to see that planning come to life. With the success we experienced January-March we're excited for the rest of 2024. Here's just a few highlights.

## EXPLORIUM

We have experienced record patron visits at the start of 2024.

- Hosted Explorium Playdates each **Wednesday at 10am**
- Increased new members by over **325%**
- Increased patron visits by over **100%**

## AFTER SCHOOL

These programs restarted on January 16th and are serving students at Breckenridge and Upper Blue Elementary, Monday-Thursday, each day that school is in session.

- Programs are **\$1** per day for all students qualifying for free & reduced lunch
- **30** unique students served
- **26%** of Breckenridge students qualify for free & reduced lunch
- **73%** of Upper Blue students qualify for free & reduced lunch

## SCHOOL BREAK

Child-care for elementary aged students is a challenge for families during mid-week days that school is not in session. These programs restarted on January 15th.

- Programs are **\$5** per day for all students qualifying for free and reduced lunch
- **1520** total student contact hours
- Served students from **all district schools**
- **35%** of our students qualify for free & reduced lunch
- Partnered with Breckenridge History, Breck Create, Friends of the Dillon Ranger District

These school-aged childcare programs are not possible without generous support from a variety of sponsors and donors.
